We are a rural adults-only country park offering seasonal caravan pitches between 1st of March to the 7th of January with free fishing in our lakes exclusively for site residents The caravans and fishing lakes sit on 12 acres of beautifully landscaped land. The lakes hold a mixed variety of fish including Carp up to 25lb, Bream, Tench, Barbel, Crucian, Roach, Rudd, Perch and Chub.

The park is located down a country lane in Thorpe St Peter, near to the picturesque market towns of Burgh-Le-Marsh and Wainfleet, and a short drive away from the popular costal destination of Skegness (6.2 miles). We pride ourselves on the peacefulness of our site, and as it is surrounded by shrubbery and set back from the road, it is also extremely private. If you are looking to escape from the hustle and bustle of everyday life, then this is the park for you.
